

Product Lead Times

LEAD TIME DISCLOSURE

Please note all lead times are based on date of placement of confirmed Purchase Order and **receipt of full payment**. (*Purchase Order only if distributor terms are in place.*)

Please note that while we endeavor to maintain stock of all stocked products, **orders are shipped out on a first-come, first-served basis**. This may impact stock levels at any given time. Kirei will not hold material without full payment.

Ship time to leave our warehouse for stocked products is within 2 business days of receipt of Purchase Order and payment.

All shipping is via common carrier. Kirei cannot and does not guarantee transit times.

All lead times are subject to quantity, color, and thickness being in stock. For larger quantities, lead times are to be determined per order.

Custom projects may require longer lead times.

For any further questions, please contact Kirei.
