**Mura Tiles**

EchoPanel® Mura Dune and Wave Tiles provide a steadying design force and rhythmic form to quickly add dimension and acoustic control to any wall (and even some ceilings!). Thermoformed Mura Tiles are lightweight and highly sound absorbent, plus a speedy clip system enables fast installation. Mura Tiles achieve Class A fire rating right out of the box, and have up to 60% recycled content to help contribute to LEED credits. Each box contains nine tiles plus clips for 3x3 installation.

**NRC (SOUND ABSORPTION RATING): ASTM C423-90A**
