All specs refer to singular products and not multiples unless specified.

Balance Tiles

Balance Tiles are an easy, elegant acoustic fix for nearly any space. These thick tiles add distinct patterning and color, while absorbing sound. Mix and match the different tile sizes and colors to create eye-catching designs.

NRC (SOUND ABSORPTION RATING): ASTM C423-90A

NRC: .65 (no air gap)

Fire Rating

ASTM E84 Class B

VOC Emissions

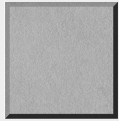

ASTM D5116 Rate: <0.02 mg/m²/hr (7 days)

468 | Vanilla

542 | Charcoal

550 | Onyx

908 | Ivory

Installation

Peel-and-Stick

Prior to installation, ensure the surface area to which the tiles are going to be fixed is smooth, clean and free from dust or any other contaminant that may impede the installation. Balance Tiles have an adhesive backing. Peel off the backing and stick on to substrate. Pressure should be used when applying to any substrate.
