

Paling Panels

EchoScreen Paling I Color 542 (Charcoal) with Copper Hardware

Style	Metric	Standard	Thickness	Weight	SF/Piece
End Panel	285mm x 1750mm	11.2 in. x 68 in.	24mm	5 lbs	5.3
Mid Panel	285mm x 1750mm	11.2 in. x 68 in.	24mm	5 lbs	5.3

*Due to the nature of the material, cutting and fabrication process, minor dimensional variances may occur. All specs refer to singular products and not multiples unless specified. See reverse page for Paling screen diagram.*

**EchoScreen Paling**

Office needs change every day, so you need furnishings that can change in a flash. EchoScreen Paling is a reconfigurable partition system with a “kit of parts” that can be assembled using our standard joiners to quickly create flexible collaborative workspaces, room dividers and single desk private spaces. Paling panels pack flat for easy storage and break down and set up in minutes. EchoPanel® acoustic panels absorb sound, helping reduce distraction and inspire creativity. They’re made from 100% PET with at least 60% recycled, helping to reduce waste in our ecosystems.

**NRC (SOUND ABSORPTION RATING):  
ASTM C423-90A**

Standard EchoPanel NRC acoustic data is available for acoustic calculations. Please contact Kirei for this test data.

**Fire Rating**

ASTM E84 Class B

**VOC Emissions**

CDPH (CA 01350) Compliant; TVOC: <0.5 mg/m3  
Ecospecifier GreenTag Compliant;  
TVOC: 0.015 mg/m2/hr (ASTM D5116)

EchoScreen Paling I Color 384 (Seaweed) with Cream Hardware

## Available Solid Colors

## Available Design Styles

## Recommended Configurations

Paling Panels must have enough angled joints to stand freely.

## Hardware & Installation

Panels are assembled using 10 included modular joiners. Pivot joiners fold 360° for pack-flat storage of complete systems.

## Available Hardware Colors
