

Platoon Panels

Platoon Partition I Color 325 (Viridian Green) with Charcoal Hardware
Image supplied by/courtesy of Woven Image®

Style	Metric	Standard	Thickness	Weight	SF/Piece
Platoon Panels (fully extended)	3500mm x 1750mm	137.8 in. x 68.9 in.	24mm	30.42 lbs	65.92

The dimensions above refer to the maximum extended length for stability. To stand freely, Platoon component panels must be angled and a shorter usable length will apply. Platoon Partition is sold as a complete unit with six components (one female end panel, four center panels and one male end panel) plus 10 modular joiners. Due to the nature of the material, cutting and fabrication process, minor dimensional variances may occur. All specs refer to singular products and not multiples unless specified. See reverse page for Platoon Partition diagram.

Platoon Partition

Office needs change every day, so you need furnishings that can change in a flash. Platoon Partition is a complete set of modular panels with multiple possible configurations that helps make your office, lobby, performance space — even your home — into the creative space you need. EchoPanel® acoustic panels absorb sound, helping reduce distraction and inspire creativity. They're made from 100% PET with at least 60% recycled content, helping to reduce waste in our ecosystems.

NRC (SOUND ABSORPTION RATING): ASTM C423-90A

Standard EchoPanel NRC acoustic data is available for acoustic calculations. Please contact Kirei for this test data.

Fire Rating

ASTM E84 Class A

VOC Emissions

CDPH (CA 01350) Compliant; TVOC: <0.5 mg/m3
Ecospecifier GreenTag Compliant;
TVOC: 0.015 mg/m2/hr (ASTM D5116)
