**Wrap Partition**

Office needs change every day, so you need furnishings that can change in a flash. Wrap is a reconfigurable partition system with a “kit of parts” that can be assembled using our standard joiners to quickly create flexible collaborative workspaces, room dividers and single desk private spaces. Wrap panels pack flat for easy storage and break down and set up in minutes. EchoPanel® acoustic panels absorb sound, helping reduce distraction and inspire creativity. They’re made from 100% PET with at least 60% recycled, helping to reduce waste in our ecosystems.

**NRC (SOUND ABSORPTION RATING):  
ASTM C423-90A**

Standard EchoPanel NRC acoustic data is available for acoustic calculations. Please contact Kirei for this test data.

**Fire Rating**

ASTM E84 Class A

**VOC Emissions**

CDPH (CA 01350) Compliant; TVOC: <0.5 mg/m3  
Ecospecifier GreenTag Compliant;  
TVOC: 0.015 mg/m2/hr (ASTM D5116)
